

Scholarship Opportunities

With so many talented young artists from across the state attending Crane River Theater's *Backstage*, we are thrilled at the opportunity to recognize three outstanding students with a scholarship opportunity. For the first time, Backstage participants can register to audition as an actor, musical theater performer or director/designer to qualify for a \$100 scholarship. All of the auditions and interviews will take place on Saturday, August 6, during the workshop sessions. The winner will be determined by a panel of three Crane River Theater directors and announced at the closing of the Backstage Workshop. Rules on how to apply can be found below.

We ask that students apply for one category only.
